Buying Your Property

Choosing a property

Viewing properties can be long and laborious if you haven't identified exactly what you want and where. Research the areas you are interested in, paying particular attention to the things that are most important to you, such as local amenities, transport links, schools, open space and council-tax bands.

When you have found the area/s you want to live in and the type of property you can afford, it's time to start viewing properties.

It's best to have a list of things to ask and look out for, to help you identify properties that might be worth a second viewing, for example:

- Ask to see a copy of the energy performance certificate (EPC)
- If it is a leasehold property, how many years are left on the lease?
- Check out the boiler.
- Does the property have gas central heating?
- What council-tax band is the property in?
- Does the property have double glazing?
- Is the attic well insulated (check the EPC)?
- If the property is leasehold, are there any service charges?
- Is the property near suitable transport links?

Making an offer

When you are ready to make your offer, give us a call we will take charge of the sale of the property immediately. If you like the property, the chances are others will too, so speed is essential. You may want to put your offer in writing and give the name of your solicitor.

We will contact the seller and await their decision. Don't be surprised if your first offer is rejected. Buying and selling is about negotiation and this is where we as an experienced estate agent come into our own, so if you are a seller as well as a buyer, we work for you!

Obtaining A Mortgage

Property Plus will be able to recommend a local independent mortgage adviser, who will search for the deals that suit you as an individual.
